Oliver,

12/8/78

Lil has completed the packaging and I have made the package. It will go out in tomorrow's mail with this but will go slower. I'm also insuring it.

In addition to returning your clippings I've included some I've made for you.

So you can tell, this is how I've packaged them:

Yours are in the folder in which they were.
The new ones are between the folder and the cardboard backing.

Weather reports indicate you are having a rough time.

We are having the mildest December I can remember. No freeze yet and one hard frost only.

Hope the snow has not been too much for you people out there.

Sincerely,
